Between:

Sree Venkateswara New Sun Flower Upper
Primary School (Aided), Kattarampur, Karimnagar,
rep. By its Correspondent K. Rami Reddy,
S/o. Venkata Reddy.

… Petitioner

And

The Government of A.P., rep. by its
Secretary, Education Department, Secretariat,
Hyderabad, and four others.

… Respondents

Order:

Heard the learned counsel for the petitioner and the learned Government Pleader for School Education, appearing for respondents 1 to 3.

2. In this writ petition, petitioner, an Upper Primary School, has questioned the action of the respondents 1 to 3 in conducting counseling for rationalization and allotment of respondents 4 and 5, who are working in the petitioner-school to another school during the academic year. It is not in dispute that respondents 4 and 5 are working in aided vacancies. With regard to aided vacancies, it is always open for the Government and Governmental authorities to identify the surplus posts and the schools where there is need for allotment. In that view of the matter, petitioner cannot question such rationalization; but, however, it is submitted by the learned counsel for the petitioner that as they are presently instructing the students, it would disturb the academic schedule.

3. In that view of the mater, I dispose of the writ petition permitting the respondents to take steps for rationalization including the shifting of the posts in which respondents 4 and 5 are working, but, however, the same should not be given effect to, till the end of April, 2006.

4. Subject to the above directions, the writ petition is disposed of.
